**15th Annual
Black Catholic Rosary
Across America for Life**

Sponsored by the **National Black
Catholic Apostolate for Life**

On Tuesday, January 22, 2013, the National Black Catholic Apostolate for Life invites you to pray with them the Holy Rosary to end abortion and all acts of violence against Life.

You are encouraged to pray the rosary wherever you are...before or after Holy Mass, on your job, in your home or in your neighborhood.

We pray for President Barack Obama and for all leaders of nations and peoples, that they may be continually guided by the Holy Spirit (and supported by our prayers) to develop policies and make decisions that promote justice and peace for all people, and a respect for all human life—from the womb to the tomb!

“Each year on January 22nd – the anniversary of the 1973 Supreme Court decision in Roe v. Wade – people pause to recognize the date in some way. Some speak out, some march, some reach out, some educate, some just reflect. **Many pray”**.
